

Never grow, don't ever change  
Lay in my arms for another day  
Time moves fast and there's no way to slow it down  
Keep me up in every way  
You teach me how to smile more every day  
I'm never gonna let you fall, I'll always keep you safe

You will always be a part of me  
Even though when I'm just a memory

When your world is going under  
Never don't lose your sense of wonder  
Let your imagination run wild and soar  
'Cause when you're older, things get heavy  
Sometimes life gets kinda scary  
Just keep on being brave, don't be afraid to roar  
Be a dinosaur  
Be a dinosaur, mmm

Magic things and sweetest dreams  
Close your eyes and imagine me  
Holding on to you through all your hardest times  
Explore the moon, explore the stars  
Never forget who you are  
Keep your innocence and love inside your heart

You will always be a part of me  
When I'm gone, you'll still be shining

When your world is going under  
Never don't lose your sense of wonder  
Let your imagination run wild and soar  
'Cause when you're older, things get heavy  
Sometimes life gets kinda scary  
Just keep on being brave, don't be afraid to roar  
Be a dinosaur  
Be a dinosaur, mmm

Be  
Ooh, ooh

When your world is going under  
Never don't lose your sense of wonder  
Let your imagination run wild and soar  
'Cause when you're older, things get heavy  
Sometimes life gets kinda scary  
Just keep on being brave, don't be afraid to roar  
Be a dinosaur  
Be a dinosaur, mmm
