

B With U

Lawsy

I'll do anything just to be with you
Baby, I can't think about a thing but you
I be sending you these songs you don't know that it's bout you
When I play this song it really get her in the mood
Man I'm makin' this song and she wan' fuck me in the stu'
You wan' look through my phone, bitch I ain't playin' that witchu'
We 5 minutes from home and she already getting to it
She asked "what is sexxb?" Bitch it's really sex music
Take off them clothes, baby let me see it all
I would cut off all my hoes if you just gave me the call
Man I just stepped in the kitchen and she taking it off
This bitch should've went D1 way she play with my balls
I got every type of drug, I could get you want you want
I got a bitch work at the pharmacy, it take 1 call
You better not run off, bitch could get the switches involved
Bitch Imma speed off, you know I ain't stopping for the law

I'll do anything just to be with you
Baby, I can't think about a thing but you
I be sending you these songs, you don't know that it's bout you
When I play this song it really get her in the mood

I'll do anything just to be with you
Baby, I can't think about a thing but you
I be sending you these songs you don't know that it's bout you
When I play this song it really get her in the mood

When I play this song, this bitch tell me turn it up
This bitch tell me when I turn 18, bitch we turnin' up
This bitch wan' me to take her to the hotel and fill her guts
Long as got some hoes on my dick bitch I could give a fuck
Bitch I got too fat and I had to kick the cup
Bitch that ass so fat and you know I'm getting some
Long as I got some bricks in the trap, I know that I'm up
Long as I got some money on me, Imma live it up

I'll do anything just to be with you
Baby, I can't think about a thing but you
I be sending you these songs you don't know that it's bout you
When I play this song it really get her in the mood

I'll do anything just to be with you
Baby, I can't think about a thing but you
I be sending you these songs you don't know that it's bout you
When I play this song it really get her in the mood
