

## Bumpin

Lawsy

Baby I wish you could love me like you fuck me  
When we in the bed you give it all and then it's nothing  
Give me a call, can we talk? We always fuckin'  
I can't look in your eyes cause my heart racin' it start bumpin'  
,

When I look in your eyes, I feel sum I can't explain  
Since I met you swear to God my life ain't been the same  
Late night I've been prayin' to God that you feel the same  
I be wishin' it was you every time my phone ring  
When that money callin' bitch I gotta do my thing  
Tweakin' off the Adderall nah baby I ain't sleep in days  
I might fuck up and tell you I love you, shit won't be the same  
This bitch told me I be fuckin' too good for my fucking age  
I wish I could tell you what I think, baby but I can't  
I got a flight in a couple days, I'm on the way  
She said that I'm too young, you could wait

Baby I wish you could love me like you fuck me  
When we in the bed you give it all and then it's nothing  
Give me a call, can we talk? We always fuckin'  
I can't look in your eyes cause my heart racin' it start bumpin'  
,

I can't get too high around you I might slip up  
She said she wan pull up to the stu and watch me cook up  
This bitch just walked in the booth, she said wanna do sum  
I might fuck her in the stu then kick her out she said I went dumb  
In the pussy beat it up, just like a fuckin' drum  
Lil bitch I ain't eatin' nun unless you finna suck sum  
Ride around with two poles in case they try to run up  
She told me that she outside, I told her to come up

Baby I wish you could love me like you fuck me  
When we in the bed you give it all and then it's nothing  
Give me a call, can we talk? We always fuckin'  
I can't look in your eyes cause my heart racin' it start bumpin'
