```
I saw that girl in Soweto
I carry her mainland to eko
And we fit do am nobody gats to know
And in the room on the bed, make I hmm
She give me green light
She say make I go oo
I commot belt and I commot shokoto
She say she like to twerk and she like to blow
I tell her do Wetin you want to do
Let that booty Bounce, let that booty bounce
Rhythm and cooler
Say your body cool my temper
Sweet like honey and sugar
Causing sweet danger ah
You fit initiate o
And we fit do it in the morning when you wake o
And baby girl you know me I like the taste o
And we fit do it 365 days oh oo
She give me green light
She say make I go oo
I commot belt and I commot shokoto
She say she like to twerk and she like to blow
I tell her do Wetin you want to do
Let that booty Bounce, let that booty bounce
