

Lose My Mind

L.A.X

I don't want to waste your time
Oh, girl, I miss our fight, ooh
I put my head on your shoulder
When this is all over
Want to make you my wife
As you no dey my side
Be like say I don dey loose my mind
I put my head on your shoulder
When this is all over
Want to make you my wife

Oro wa yeraawa
I know you want me, baby
I know you miss me, girl, oh
Stop the fronting, baby
(Stop the fronting, yeah)
Oro wa yeraawa
I know you want me, baby
I know you miss me, girl, oh
Stop the fronting, baby

I don dey loose my mind
Out of sight is out of mind, oh
Oh, babe, when this is all over
I need kisses all over
I wanna make you my wife
Na you I want to see when I wake up (Ooh)
I don't care how long it takes
I'll watch you do make up, oh
And when the season is over, this season is over
I wanna make you my wife

Oro wa yeraawa (Oh, ye)
I know you want me, baby (I know, I know)
I know you miss me, girl, oh
Stop the fronting, baby
(Stop the fronting, yeah)
Oro wa yeraawa (Oh, ye)
I know you want me, baby
I know you miss me, girl, oh
Stop the fronting, baby
(Stop the fronting, yeah, yeah, yeah, yeah, yeah)
