Omo ti mo ri l'ana yes she looking nice gan
Boy, e fit be make-up, so don't believe the hype, bro
Ask me what I like hun ain't got no type jhor
Insomnia type of deek and now she no fit sleep for night
Now she blowing on my cell-phone alright, stop!
Drake with the s3xx sheet I make the poosi light up
You wish he was like us; you wish tryna fight
But you foocking with the wrong nigghar
I like the right one
Hit her once, she finding it hard to let it go
Party looking like a banking account, a lot of o's
I moder that poosi before I mark go
Take a look at us; see all my nigghers hell as frosh
