L.A.X

I know you are not loose my girl
But if you give me kiss
I go kiss tonight
(Is LA, oh)

I know you are not loose my girl
But if you give me kiss
I go kiss tonight
Anything you want my girl
Anything you do, I go do tonight
Girl, I don't want spoon
But if you give me fuck, I go chop tonight
Girl, I don't want you
But if you give me things, I go do tonight
