

Perfect

L.A.X

It's LA
Me I don' find love in a better place and I want to love
No no, and I want to love
'Cause I dey feeling your trips
When you want to fall and sleep
I go de dey, make I love
Girl I want to love, 'cause I dey feeling your trips
When you want to fall and sleep
I go de dey, make I love

And if you take me as I be and I go take you as you be
'Cause nobody perfect like you know
And nobody perfect like I know
And if you take me as I be and I go take you as you be
'Cause nobody perfect like you know
And nobody perfect like I know-know

Girl your loving e be final
If I tell you girl na truth say your body be finite
And I dey wait to make a move
Baby baby ooh na na, you know I want you na na
No do no do, shakara no do no do

So make you take me as I be, and I go take you as you be
'Cause nobody perfect as you know
And nobody perfect as I know
So make you take me as I be, and I go take you as you be
'Cause nobody perfect as you know
And nobody perfect as I know

Girl I want no big big fight as you dey my side
I dey feel alright
If the matter red, make we book that flight
Anything you want, we can do tonight
I say your body, killing them
Make we faaji for the weekend
Me I no go judge you, nobody holy
Make we faaji for the weekend

So make you take me as I be, and I go take you as you be
'Cause nobody perfect as you know
And nobody perfect as I know
If make you take me as I be, and I go take you as you be
'Cause nobody perfect like you know
And nobody perfect like I know-know
