Drippin' too scene in pants
I know some chicks that be touchin', they friends
Hold up, I cannot see who that is
Hold on, 'cause I know they do it again
And they send me the vids, they know who I am
I get to the M

Big pimp, gotta pop that shit (No)
Hold on, she say, he say, "Which?" (Yes)
Hold on, pray 'cause I'm too lit (Bang)
Hold on, pray 'cause I'm too rich
Hold on, I know they hate me
You gotta do bust down if he's takin' my money
Until it's above me
I cannot sleep with myself and get too hot
I had to dream money, he rockin' the Goyard

I fell in love with my bluefaces (Yeah)
Money just can do to people (Yeah)
Look at me, see dollar signs
You fell in love with my bluefaces
You will never say it though
'Cause money get too personal
'Cause money get too personal

I let my money to talk to me back, back it up
Just like that money do
I never switch up on gang-gang
'Cause they rough on me like a new autoboot
Brand new riff (Skrtrt)
Hold on, I could've got no drip (Drip, drip)
Hold on, I'm drunk, but let's see my fit
Hold on, how it's a gift and it fits?
Hold on— (Oh no, no, no, no)

I fell in love with my bluefaces
Money just can do to people
Look at me, see dollar signs
You fell in love with my bluefaces
You will never say it though
