WOULD YOU?

Lay Bankz

If I had an OnlyFans
If I used to date your man
If I twerked on Instagram
If I fall out with your fam
Would you love me?
Would you love me?
Would you love me?
Would you love me?

If I got a little fat
If I played you in the chat
If they leaked me on the net
Tell me could you handle that
Would you love me?
Would you love me?
Would you love me?
Would you love me?

I ain't on take backs
I be on get back
I be on Tit Tat
What if I did that?
I be on bullshit
Had to admit that
Nigga I talk back
I do not sit back
Do what I want
No I do not ask
If you apologize
Give it in cash
I might just fuck up your day
For a laugh
You do what you want
When you got all this ass
You do what you want
When you got your own bag
I know I'm a lot
Is you up for the task
My last nigga hurt
Cause I up and just dashed
I'm going up fast
Do you want me to crash?
Cause I am that bitch
Don't gotta try
I'm with the shits
Why would I lie
My niggas lit
Talking that fire
Like my niggas rich
I'm talking Dubai

If I had an OnlyFans
If I used to date your man
If I twerked on Instagram
If I fall out with your fam
Would you love me?
Would you love me?

Would you love me?
Would you love me?

If I got a little fat
If I played you in the chat
If they leaked me on the net
Tell me could you handle that
Would you love me?
Would you love me?
Would you love me?
Would you love me?

What if you didn't fuck
But you had a bunch of stories
Would you still take my call
Or would you duck me and ignore me
I'm just one wondering 'for we
Get into something
Is you really with me
Or do you just be frauding
How do you know it's love
If we ain't never been through shit?
Show me you really down
Say that you gon' stay
Then prove it
I'm just one wondering
Cause this becoming something
Don't you have me
Tell my friends about you for nothing

If I had an OnlyFans
If I used to date your man
If I twerked on Instagram
If I fall out with your fam
Would you love me?
Would you love me?
Would you love me?
Would you love me?

If I got a little fat
If I played you in the chat
If they leaked me on the net
Tell me could you handle that
Would you love me?
Would you love me?
Would you love me?
Would you love me?
