

# Zombiefied Electrified

## Lay Down Rotten

As the Dead walk again.  
Rotten to the Bone.  
Infected Bodies with no Soul.  
Undead Legions alive in Hell.

Carnivorous Lust for Human Blood.  
They all gather in the open painful Extinction of the Human Race.  
One by One, they all will die.

No Mercy.  
No Mercy.  
No Mercy on the Living.

Bitten into Flesh.  
Torn to dripping Pieces.  
Ripped apart.  
Dismembered by reckless Creatures out to kill.

Bitten into Flesh.  
Torn to dripping Pieces.  
Ripped apart.  
Dismembered by reckless Creatures out to kill.

Zombified.  
Electrified.  
Wicked an so fucking Obscure.

Zombified.  
Electrified.  
Abusing the last Remains.

Gutted and eaten, tormented by the devious Dead.  
Soon the Impulse to extinct will prevail.

No Mercy.  
No Mercy.  
No Mercy on the Living.

Nails dig deeper into Flesh, rip out the bleeding Heart.  
Slay the Scum, no God will help them now.

Contaminated Blood spilled on the Ground.  
No Vultures in... in the Sky.  
A burning Hunger for the Flesh.  
That feeds the living Dead.

Death is all around.  
Death is all around.

Nails dig deeper into Flesh, rip out the bleeding Heart.  
Slay the Scum, no God will help them now.
