

## Even If

Layton Greene

You keep asking me these questions like  
"Am I gon' be here til the end of time?" (yeah yeah)  
I know you're looking for a ride or die  
So, I'm right here standing by your side  
But you gon' have to show me  
Show me you know how to hold me, yeah  
When things get rough, I need your trust  
I told you I'mma always be there and that's enough

Will you be there for me?  
(I'll be there for you, baby)  
I'm riding, will you be there for me?  
I'm riding, will you be there for me?  
I'm sliding, will you be there for me?

Even if they don't tell me that they love me  
I did it by myself with no one else above me  
Even if they don't throw me all my money  
They had me on the side and keep me looking bummy  
Even if they don't show me like an I.D  
They keep me pressed up in they wallets like a house key  
Even if they don't show me all the ways  
I got one question, will you be there for me bae?

Will you be there for me?  
I'm riding, will you be there for me?  
I'm riding, will you be there for me?  
I'm sliding, will you be there for me?

Will you be there for me?  
I'm riding, will you be there for me?  
I'm riding
