

Nah, that bitch really straight though, for real, for real, like that

I just got to read this shit

I just walked in, ready to up it on anybody

Having a real rest, I can't put a ten inside my wallet. (a ten)

Pussy nigga, Pack it, watch it

All that pack it, watch it

Mili twin, my double back, I don't think we got him (I don't think we got him)

Mili twin, my double back, everyone think we shot him

I'm on drink real bad, I sent to a drink here (I'm on drink)

I start letting them pull me up, they drank me spiked

Niggas can't sit around the gang, ain't havin' fight, (no jam)

Havin' hella drugs, so the trap don't never close down

Better keep this shit online, but not come outside

B-Fry Cards, this is not my car (On gang, On gang)

Nigga rockin', big clothes, these niggas soldier boys

Draw down, you know I got 100

Outside with a jam Glock, apartments, nigga duckin' in the narc

Geeked up, fellas stickin' in the car, black truck, party, they caught a road

Nigga havin' hoes, havin' white hoes

Havin' black hoes, havin' Mexican hoes

Havin' Asian hoes

The red fork, you see me with that pole

Married to the rest, I just propose

Heat gang, before you end up disposed

I'm high as fuck already, I don't even wanna smoke

In the dead end we on lit shit, put on some drip today I pop

I can stuff my hair, this bitch got a optic (this bitch got a scope)

Skin is fitted, can't play racks in pocket, yo back though you better lock it

Cause they watching, and that Trish drunk you on

I don't want that shit (Trish, Trish)

Whole gang been hit that hoe but y'all don't want that bitch

That's the twin there's no debate, they let me work the skit (shut up, uh uh)

Woke up on that bullshit, uh, nigga pour up bullshit

I'm not smoking bullshit, nigga smoking bullshit

Nigga got drip for that, uh uh
