

Fuck (Shxytsu)

Fuck, fuck

Ayy, watch out, ayy, watch out

Ayy, watch out, ayy, watch out (Fuck)

Ayy, watch out, uh (Ayy, watch out)

You might caught us

You might tryna push up

You might tryna push up, isn't it-

They tryna-, yuh, yo' drip-, uh-eh

Yo' drip-, yo' drip white-, huh

Who the fuck still wear fuckin' Le-

Who the fuck still wear fuckin' Levi?

Leave out the trap, you can't come back

Catch a opp, leave a opp on his back

Left out some cheese, gotta stick at the mouse trap

You know my whip gon' bark when it come down that road

Cuff fine shit, put that shit up her nose

It ain't shit to put three racks in my clothes

[?], I have fire, take out that trackin'

Shoot yo' ass down, leave yo' ass in the past tense

I got munyun while my pants be saggin'

This a real gun, this ain't no splat gun

Stick, you owe me better handgun

You on fake drank, how you want and come to spill over?

Thought you was tough, you really be pillows

Designer Smith outside my shot with Willow

Play both sides, you stuck in the middle

Light the stick, it got a butt, it gon' jiggle

Lil' twin tryna score a bucket for [?]

Fuck you mean I ain't drivin' speed?

Twelve stop the whip, ain't find the weed in it

Blunt poppin I just found a seed in it

You think you're immortal, fuck make you differ?

Nigga fired out a new port, get it instant

My lil' partner kick ya' door, take ya' present

Bitch text back, like I got other motion

Run in yo' shit, leave yo' fuckin' door open

Real drank here, nigga makin' a potion

Better know za', that's a bucket of guns

Better know drank, that's a bucket of bullets

What the fuck? We ran outta bullets

Need to find us some way to the hood

I see the daylight at the end of the 'Wood

My partner be finesse, I can see if he make it sound good

He spookin', he think it was a safe-ass thing

I be more dripped, more dripped than the rain

Lil' twin up, they could give up yo' chain

Shoot to yo' ally, gon' come through yo' vein

You went to the store, our drip ain't the same

ARP shoot you down, give you pain

Weird ah drug, where the fuck did you get that?

Hit the whip, he gon' sit back

Plug floor it up, for a day we gon' flip that
