

free munyun lick

LAZER DIM 700

Fuck, fuck, fuck
Fuck, fuck, fuck
Fuck, fuck

I don't even see when I clutch it at nighttime
Nigga on pills, he not in his right mind
Said twelve was hot, boy, you was not lyin'
Twelve camp as fuck, tryna fight crime
Gen6 on me when I'm outta town
Nigga shared the story, don't make 'em stay inside
Boy, you cap as fuck, you not tryna collide
Hit my phone talkin' crazy, I'm outside
Shit in my blick shoot yo' door, shoot yo' ride
Fell out soon I had came in the house
Boy, you a lil' boy, boy, you a minimize
Come to my hood right now, we got plenty fye
I seen the snake comin', I already improvised
Lil' twin got him thinkin' that he steppin', he hypnotized
Gimme yo' blick 'cause you know they ain't empty the fye
I got the drop, zoom in I'ma scope it out
This a free munyun lick, lemme coach it out
Zaza had twelve behind me, I ain't throw it out
Real drank head, shoot lil' twin if he pour it out
Boy, you a bitch, kept my blick, I ain't throw it out
Fast spam the blick, bitch, I done wore it out
Say they got the drop, they think that I'm worried now
Boy, you blicked up, what the fuck is you worried 'bout?
Blicked up in the dead end, my service done went out
Come on a late stroll, I'll show you how to get poles
Boy, that's a nice ass stick, where you get those?
Boy, I'm stepped down on my dick, pullin' kick doors
When I get real munyuns, my wrist get froze
They thought I was a fat dude, did a robbery in big clothes
Join the other side, why the fuck would you switch for?
Smoke wit' lil' twin, he got smoke wit' his big bro
You ain't gotta crash long as you ain't scared to bust
I'm a lil' boy from the hood, you ain't scarin' us
Nigga recruitin' anybody, now they pairin' up
Shots fired, now yo' drip be tearin' up
Plug bet not try to finesse, make him weigh it up
Get up and smoke, I ain't makin' my bed up
Get in the streets, boy, you better have yo' lead tucked
Nigga psyched out, what the fuck drug he took?
Nigga psyched out, crashed out now he booked
Nigga shouldn't have let me hold it, now these took
Fine shit wiggin' out, she said I was evil
Free my lil' cousin, he keep him a needle
Crazy ass life, need to do me a redo
Think this shit cap walk down, I'ma teach you
Boy, you capped out through the drugs, I see through
You act like you did some' for me, I don't need you
Nigga heard shots, I'm clutchin' like, "Get down"
Take a opp down tryna stop me from gettin' mines
Lil' play off on lil' plug, came right in time
Nigga got burnt now they havin' a fish fry
I ain't got shit right now, I'm tryna get by
Fine shit seen me for the first time, big eyes

Right now I'm down bad, only got Gen6
Go wit' my move, boy, you know I'm playin' shit
Hopped out right now, blick be by me
You think he wit' you, whole time he slimy
You think I'm there but I left, come find me
Come to my hood right now, shit grimy
Fucked up tryna slime me out, tryna line me
I'm down bad but I'm goin' up, perfect timing
I know that shit cap, you don't wanna see me shinin'
Get out the V, you can't tell me not to flip out
I ain't tryna talk right now, I'm pissed off
I ain't tryna talk to middleman, where the big boss?
Plug want me to help him serve, I get shit off
Boy, you is not what you think, boy, you bitched out
I got my back against the wall in a bang out
Come to my hood right now, Glock hangout
Boy, yo' twin not that, he prankin'

Fuck

Fuck, fuck, fuck
