They done let me back up in this bitch
Bitch, you know I ain't sparin' shit
Brought them reapers on this mission
We tryna get bands, bitch
I'ma dump these red tips
Give no fuck who hollows hittin'
Binary trigger on the Drac', this bitch gon' fuckin' quake
Gang done put me on a crash-out mission, had to run away
Top villan gang runnin' 'round, bitch, I'm real sneaky
I just hit a lick like last week so I'on come 'round them people
Bitch say she wan' fuck with this lil' gang, she wanna be a reaper
Ran off on the plug for pills and edibles, bitch, I started eatin' 'em
7000 lil' 4000 lil' gang, they tryna fix they aim
Ridin' 'round with them reapers and lil' flame, they think they fuckin' crazy
Bitch I'm really hot just like a flame, I be tryna chill
556 that be fuckin' gang
I be gettin' to them lil' money, I wear off white plain, yeah
7000 lil' 4000 lil' gang them trippin'
Give no fuck, I'll do a feature for a fuckin' pint
Hit a lick behind my partner house, we got some fuckin' Jeeps
Better lock yo' doors on yo' lil' Scat 'cause I'll steal ya' shit
Nigga tripped up, he think he crazy, boy you still a bitch
Fifty round drum filled all my pants, I hate wearin' this shit
Jumped out that house, know I brought the glizzy
Had to stuff it with that thirty, I couldn't bring the fifty
Bitch I'm really out the way, I'm tapped in with them villans
Bitch I'm blacked out in off white, I be fuckin' drippin', fuck
Ayy, smokin' thorns in the back of Uber truck
Gimme yo' front and back, and yo' cvc and I'ma get you racks
Yeah, 7000, yeah
