Alleyway, we in the alleyway right now

On gang, lil' buddy just called me

Drip taxin', that shit cost more than me

Always talkin' 'bout fuckin' sticks

Nigga won't put the gun down, not for shit

And my B-roll havin' fuckin' president

And these freak hoes choosin' like a draft pick

Racks won't look right without me

Your bitch won't look right without me

Gotta show them drugs, I'm on fuckin' drugs

First time I seen, I wanted to fuck

First time I touched racks, fell in love
