## New York, I Love You but You're Bringing Me Down

**LCD Soundsystem** 

New York, I Love You
But you're bringing me down

New York, I Love You But you're bringing me down

Like a rat in a cage Pulling minimum wage

New York, I Love You But you're bringing me down

New York, you're safer And you're wasting my time

Our records all show You are filthy but fine

But they shuttered your stores When you opened the doors To the cops who were bored Once they'd run out of crime

New York, you're perfect Don't please don't change a thing

Your mild billionaire mayor's Now convinced he's a king

So the boring collect I mean all disrespect

In the neighborhood bars
I'd once dreamt I would drink

New York, I Love You But you're freaking me out

There's a ton of the twist
But we're fresh out of shout

Like a death in the hall That you hear through your wall

New York, I Love You But you're freaking me out

New York, I Love You But you're bringing me down

New York, I Love You
But you're bringing me down

Like a death of the heart Jesus, where do I start?

But you're still the one pool

## Where I'd happily drown

And oh.. Take me off your mailing list For kids that think it still exists Yes, for those who think it still exists

Maybe I'm wrong
And maybe you're right
Maybe I'm wrong
And myabe you're right

Maybe you're right
Maybe I'm wrong
And just maybe you're right

And Oh..

Maybe mother told you true

And they're always be something there for you

And you'll never be alone

But maybe she's wrong
And maybe I'm right
And just maybe she's wrong

Maybe she's wrong And maybe I'm right And if so, is there?
