

## Sound of Silver

LCD Soundsystem

Sound of silver talk to me  
Makes you want to feel like a teenager  
Until you remember the feelings of  
A real life emotion of teenager  
Then you think again

Sound of silver talk to me  
Makes you want to feel like a teenager  
Until you remember the feelings of  
A real life emotion of teenager  
Then you think again

Sound of silver talk to me  
Makes you want to feel like a teenager
