

# I'm Queen

Le Butcherettes

Little Boy, how you want me high?  
Little Boy, how you want me dead? I said

I'm Queen! I'm gonna fuck!

Little Boy, how you want me done? Aha  
Little Boy, how you want me dead again?

I'm Queen! I'm gonna fuck!

I feel you breaking inside of me  
I feel you breaking inside of me, man!

I'm Queen! I'm gonna rock!

You say you want me  
You say you got me  
You say you want me  
You say you got me  
But I don't see your name on me  
So fuck you!
