

# Shame, You're All I've Got

Le Butcherettes

I'm not ok but it's alright  
You broke my heart but it's ok  
I fell asleep for a day or so  
And now the hurt has turned to shame

Shame, shame you're all I've got  
Shame, shame you're all I've got

I'm not happy but it's alright  
I try to smile and it's all wrong  
You stick a needle in my thigh  
But now the pain has turned to shame

Shame, shame you're all I've got  
Shame, shame you're all I've got  
Shame, shame, shame you're all I've got  
Shame, shame, shame you're all I've got

And when you look inside yourself  
You see that little demon laugh  
Making the sun come out  
Looking to melt you down  
And then they birds fly out  
They want your meat in their beaks

Shame, shame you're all I've got  
Shame, shame you're all I've got  
Shame, shame, shame you're all I've got  
Shame, shame, shame you're all I've got

Burn inside, just fall away  
Burn inside, just fall away  
Shame, shame you're all I've got
