

## Six More

Le Butcherettes

Six more honey honey  
Six more kisses for you girl  
Six more little stitches  
Six more babys for you honey!

You talk down on me,  
And you tell me you want me  
To be honey, to be honey!  
You come inside (4x)  
Except in me  
Except in me...

Six more honey honey  
Six more kisses for you girl  
Six more little stitches  
Six more babys for you honey!  
Hahaha!...
