Like oh, oh, oh

Eleven-eleven
When angels hover around my bed
I have a match on
I wish I was locked in the dark night

Get rid of my weakness
Make a new me

I want you to stop time
The moment the flame burns me
Finally, I can breathe
In the wave of pain
I'm turning into ashes, live again
Like oh, oh, oh
The more it hurts, the more alive I am
A new born in ashes
Nothing lasts forever, baby
I'm about to bloom again
Pour oil all over my body, light the flame
Like oh, oh, oh
I don't wanna stop

"Don't be afraid," angels whisper to me
This darkness creates you
Feel the feelings you never felt
Even I burn again, I burn it more, can't get enough
Oh, no, oh, no

Even I'm still black in the darkness
Make me bright

I want you to stop time
The moment the flame burns me
Finally, I can breathe
In the wave of pain
I'm turning into ashes, live again
Like oh, oh, oh
The more it hurts, the more alive I am
A new born from ashes
Nothing lasts forever, baby
I'm about to bloom again
Pour oil all over my body, light the flame
Like oh, oh, oh
I don't wanna stop

Even I burn again, I burn it more, can't get enough
Oh, no, oh, no

So beautiful, new life
The moment new skin renewal on my body
After peeling the old one
After midnight, a new life will begin
Spread my wings to a new day
Like oh, oh, oh
The more it hurts, the more alive I am
A new born from ashes
Nothing lasts forever, baby
Burn it up, make it bluer
My footsteps will remain in the flames
Like oh, oh, oh
