I'll like it I'll like it like that

I'm feeling something like I'm being possessed
A woozy glare from afar
A force that leads me into the fog
Even blue hotter than a flame

Dancing on my own style and disappeared
I'll like it, I'll like it like that
The woozy blue light turned splendidly

Burn it to the point you burn your hands
Crossing the unknown boundaries
And spread it out to the end
It's quite beautiful on a free day
As long as it burns, I can't stop my desire

Will-O' The-Wisp babe
Oh baby It's blue flame
Will-O' The-Wisp babe
That that that is faction

Will-O' The-Wisp babe
Oh baby It's blue flame
Will-O' The-Wisp babe
That that that is faction

The unknown veil hides in fear
This darkness sees a glow to get out of it
No matter what's over there
It's just a blue curiosity

Dancing on my own style and disappeared

I'll like it, I'll like it like that
The woozy blue light turned splendidly

Burn it to the point you burn your hands
Crossing the unknown boundaries
And spread it out to the end
It's quite beautiful on a free day
As long as it burns, I can't stop my desire

The collapsing limit, it feels so thrilling
Dig deep into me
It carried me away from the moment I first saw you
In a mysterious light of color
Like you've been waiting, now I'm burning
Shine dazzlingly

Burn it to the point you burn your hands
Crossing the unknown boundaries
And spread it out to the end
It's quite beautiful on a free day
As long as it burns, I can't stop my desire
