

CRAZY

LE SSERAFIM

Act like an angel and dress like crazy

All the girls are girling, girling
All the girls are girling, girling

Yeah, hit me with that lightning
Like CPR, work it
It's giving electrocute
Higher on the voltage, we jump in
I'm an Otaku, bestie
Kawaii, I know, so sassy
I'm feeling awfully heady
I might just overload I might break free

Galileo
Everyday's a trial, baby
We told you no
No more games, you're going crazy
Why can't you stop?
Don't know why, but deep inside, this may be the real me, baby
Wow, she's goin' super crazy

Crazy, crazy, crazy, crazy
Crazy, crazy, crazy, crazy
Crazy, crazy, crazy, crazy
Act like an angel and dress like crazy

Back in the days, poor old me
Didn't know what to believe

Now I can see, I am that girl
Baby, she's all that I need
Saying I'm this and saying I'm that
Talk is so cheap, I'm so over this shit, huh
Yeah, me and my girls keep living it up
We blow a kiss staring into the sun, mwah
