

CRAZY (Mash)

LE SSERAFIM

Act like an angel and dress like crazy

All the girls are girling, girling
All the girls are girling, girling
All the girls are girling, girling
All the girly girls
Okay

Everybody walk to the baseline now (The baseline now)
Don't waste your time on talking (No)
Please, don't play my song (Please, don't play my song)
Focus on the way I'm walking
You can't get enough (Woah)
Let's let the roof go again
We can't get enough
Let's talk about it just once, okay?

Hit me with that lightning
Like CPR, work it
It's giving electrocute
Higher on the voltage, we jump in
I'm an Otaku, bestie
Kawaii, I know, so sassy
I'm feeling awfully heady
I might just overload I might break free

Galileo
Everyday's a trial, baby
We told you no
No more games, you're going crazy
Why can't you stop?
Don't know why, but deep inside, this may be the real me, baby

But how could you leave me in the club?
Okay, I guess you must've had enough
You were on fire, lost in your desire
I'm leaving later in case it gets better, ooh
If you're down to ride, everyone we know is out tonight (Out tonight)
We could leave all our jobs today, maybe it's a secret holiday
Okay, everybody walk to the baseline now (The baseline now)
Don't waste your time on talking (No)
Please, don't play my song (Please, don't play my song)
Focus on the way I'm walking
You can't get enough (Woah)
