Go crazy, that candy's sassy
Renewed the neuronal system
Broke out of the prison in my head

Galileo
I put myself on trial, every day
In my brain
I was told to go moderately crazy
Why can't you stop?
I don't know the W's, dammit, I'm that material
My answer is make me super crazy

The me that fell short of crazy
I will no longer bear false
Witness before my attraction
What it means, what it's worth
What it can and can't do, hush now
Yeah, me and my girls
We know we will go blind, but we still give the sun a kiss, mwah
