Love is sour, love is sour grapes

Ttu-rru-rru-rru-rru-ttu-ttu  
Yeah-eh

Oh, I don't know either  
It's sweet, I mouth-watered, this is truly love  
I'm staring at you for a long time  
Waiting for it to fall into my hands  
I want to have it easily  
A romantic fairy tale  
When climbing the ladder  
I'm feel dizzy under my feet

But even if I stretch out my arms a bit longer  
I can't reach it even if I lift my heels  
Love that can't hold hands utterly  
Oh, I'm the only one who's going to get hurt  
Yeah, you'll hurt me

It's bittersweet that I don't wanna taste  
I don't think it's going to be that sweet  
Unripe emotions, I just feel afraid  
I'll never bite, I'll never bite the pain  
Sour, a soury taste that makes you cry  
Sour, if there's such things as love  
I don't wanna taste, I just feel afraid  
Love is sour, love is sour grapes

When an eye passed by  
I feel nervous at the end of my heart, sometimes  
It's my first time feeling this heart  
I'm wondering if you could take one bite  
Losing all eyes on the redness of the fruit  
Grapes on the tip of the branches  
I imagine if it's sweet

But even if I narrow it down one step at a time  
I can't hold your hand  
The love that lies above the ladder  
Oh, I don't want to be the only one who gets hurt  
Yeah, you'll hurt me

It's bittersweet that I don't wanna taste  
I don't think it's going to be that sweet  
Unripe emotions, I just feel afraid  
I'll never bite, I'll never bite the pain  
Sour, a soury taste that makes you cry  
Sour, if there's such things as love  
I don't wanna taste, I just feel afraid  
Love is sour, love is sour grapes

Don't get me wrong  
I've never exactly liked you  
I don't feel a bit sorry

I tricked myself all day, all night, yeah

Grapes that are not ripe yet  
Maybe it's not the time for me  
Your scent is still unripe and green  
I'm feeling scared, I'm feeling scared, yeah  
Sour, a soury taste that makes you cry  
Sour, if there's such things as love  
I don't wanna taste, I just feel afraid  
Love is sour, love is sour grapes
