Boomerang  
Boomerang  
I ain't coming back

Stuck in photographs is where I left your heart  
Cause you didn't want to try  
Now you're crawling back as someone who is in the picture  
You're too late to change my mind

And even if you're begging there on bending knees  
It's the end of the road for you and me  
I thought you said you'd be okay  
And you can take yourself to church and pray that I  
Find a way to fit you in my life  
And you've already faded to grey

I don't know what you've been on  
But it's got you hallucinating  
Don't see an invitation  
You ain't got a chance  
I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back  
Boomerang  
Boomerang  
Boomerang  
I ain't coming back  
I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back

Not a word you say can make me feel any different  
Still the one who broke my heart  
Not my fault you couldn't see everything you're missing  
Don't wanna fix, 'til it falls apart

And even when you're begging there on bending knees  
It's the end of the road for you and me  
Looks like you're not really okay  
So go and take yourself to church and pray that I  
Find a way to fit you in my life  
Cause you're already done and erased

I don't know what you've been on  
But it's got you hallucinating  
Don't see an invitation  
You ain't got a chance  
I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back  
Boomerang  
Boomerang  
Boomerang  
I ain't coming back

I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back

I don't know what you've been on  
I don't know  
No I don't know  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Walk, walk, walk

I don't know what you've been on  
But it's got you hallucinating  
Don't see an invitation  
You ain't got a chance  
I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back  
Boomerang  
Boomerang  
Boomerang  
I ain't coming back  
I don't know what you've been on  
Cause you let me walk away  
This ain't a boomerang  
I ain't coming back

Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk  
Cause you let me walk
