

# Lighthouse

Le Youth

I'm going back where I belong  
Maybe I'll get there  
I know a place that I call home  
The times that we've had there  
Drawn by the red light of the moon  
I'll be home soon

I'm going back where I belong  
I hope that I get there

I can see the lighthouse  
I can see the lighthouse

I'm coming home  
I can see the lights

I can see the lights  
I can see the lights  
I can see the lights

I'm on my way back home  
Maybe I'll get there  
I want some empty shell with a heart of stone  
I really hope I'll get there

I can see the lighthouse  
I can see the lighthouse

I'm coming home  
I can see the light

I can see the lighthouse  
I can see the lighthouse

I'm coming home  
I can see the light

I can see the lights  
I can see the lights  
I can see the lights
