

## Skin of Gold

Le Youth

Don't let the sunlight blind you, oh  
You are just a human doing what you're told  
Don't let the moonlight burn you, oh  
You are just a being in your skin of gold  
Your skin of gold

Skin of gold

Don't speak easy love  
It won't get clearer to see  
In your skin of gold  
Oh gold  
Hide where the light won't find you

Don't let the moonlight burn you, oh  
You are just a being in your skin of gold  
Your skin of gold

Don't speak easy love  
It won't get clearer to see  
Your skin of gold  
Oh gold  
Hide where the light won't find you

Your skin of gold, oh gold  
Hide where the light won't  
Skin of gold  
Easier  
Hide where the light won't find you
