

# If a Girl Isn't Pretty

Lea Michele

If a girl isn't pretty  
Like a Miss Atlantic City  
All she gets from life  
Is pity and a pat  
Kindly name a star who hasn't  
Won a contest or a pageant  
If she hasn't she just never gets to bat

She must shine in every detail  
Like a ring you're buying retail  
Be a standard size that  
Fits a standard dress

When a girl's incidentals  
Are no bigger than two lentils

Really, Mrs. Strakosh?!

Then to me it doesn't spell success

From two faces that could cause ya  
To have temporary nausea  
Do I have to hear a lecture such as that?  
Is a nose with deviation  
Such a crime against the nation?  
Should I throw her into jail or drown the cat?  
So she's built a bit off balance  
She possesses golden talents  
Or is that a pill to bitter to digest?

Ignore the dragons, Fannele

Don't you worry, Mrs. Strakosh  
One day the whole world will look at me and be... stunned!

So go!  
Toi toi toi  
And break a leg!

From the top!  
5, 6, 7, 8  
Come on, girls  
Arms!  
Good job, girls  
Come on, Fanny  
Get in there just like we practiced!  
There you go, Fanny  
Go to it, Fanny  
Come on and bring it over here!

Hey, you in the bloomers

Yes, Mr. Keeney?

What are you doing there?

Dancing!

Well go and do it somewhere else  
You're fired

Come on, boss!

What's with the ringer?  
You owe somebody a favor?

It seemed like a funny idea!

I pay comics for laughs  
I pay chorus girls for... something else

If a girl isn't pretty  
Like a Miss Atlantic City  
She should dump the stage  
And try another route

Listen, I know I'm no dancer but

Any guy who pays a quarter  
For a seat just feels he oughta  
See a figure that his wife can't substitute

Oh, come on!

If a girl ain't perfection  
You better take up a collection  
Every girl must be a dazzler and a beaut

She's got very nice deportment

Thank you, Eddie

But when they see that assortment

From the gallery they'll be throwing fruit!

Who asked you?!

If a girl isn't pretty  
If a girl isn't pretty  
If a girl isn't pretty  
If a girl isn't pretty  
If a girl isn't pretty  
She should get a job  
Go get a job  
Get any job  
Get a weekly pay!

'Cause if a girl isn't pretty  
Like a Miss Atlantic City

She's a real Miss Nobody, U.S.A
