

Easy Rider

Lead Belly

She's a noted rider
Whoa, she ain't no good
She got drunk this mornin'
Woke up her neighbours
She take me to her house
She called me honey
I thought she loved me
But, she just wanted my money
Shes a noted rider
Whoa, she ain't no good
I made a date with her
About half past ten
Knocked on her door
She said you ain't comin' in
She's a noted rider
Whoa' she ain't a bit of good
