

Alice in Fuck Boy Land

Leah Kate

I go I go
Down the rabbit whole

I'm spinning out
F words out my mouth
I wanna shout (bitch)
Did I say that out loud
And I'm not myself
Someone send me some help
How the fuck do you spell
Ef em el

Crying in a night club
Honestly my life sux
Alice in fuckboi land
Tryna find love
Sleepin' in the bath tub
God I'm such a bad drunk
Watch me go
Down the rabbit hole

Watch me go
Down the rabbit hole

Maybe you like me and maybe you don't
Everyone hates me I'm king of the world
Switch out my friends like I switch out my clothes
My BFF is a backstabbing hoe
Leave me alone
Fuck I hate being alone
Sad you don't call me
But you're blocked though
How do you spell I'm a psycho (who's super cool and fun)

Crying in a night club
Honestly my life sux
Alice in fuckboi land
Tryna find love
Sleepin' in the bath tub
God I'm such a bad drunk
Watch me go
Down the rabbit hole

Watch me go
Down the rabbit hole

I'm spinning out
All this hate from my mouth
I wanna shout (bitch)
Did I really say that out loud
And I'm just not myself
Someone send me some help
How the fuck do you spell
Ef em el el o el

This ain't funny
No more

Getting ugly
I'm bored
But I'm dyin' inside
Need the heimlich
I'm sick to my stomach
I'm nauseous might vomit
Can't save me
From me or nobody
I hate me

Crying in a night club
Honestly my life sux
Alice in fuckboi land
Tryna find love
Sleepin' in the bath tub
God I'm such a bad drunk
Watch me go
Down the rabbit hole

Crying in a night club
Honestly my life sux
Alice in fuckboi land
Tryna find love
Sleepin' in the bath tub
God I'm such a bad drunk
Watch me go
Down the rabbit hole

Watch me go
Down the rabbit hole

Watch me go
Down the rabbit hole
