

# F U Anthem

Leah Kate

(Fuck you anthem, ah ah)

I ripped your clothes  
I crashed your car  
I smashed all your expensive art  
Your conversation piece  
For all your fake ass friends  
Who think they're rockstars

This is my fuck you anthem  
I'm going out drunk and dancing  
Call it reckless abandon  
I call it my

Fuck you anthem, ah ah  
Why'd I fuck you anthem, ah ah

I ripped your clothes  
I crashed your car  
I smashed all your expensive art  
Your conversation piece  
For all your fake ass friends  
Who think they're rockstars

Always knew you'd ruin my life  
Ruin my life yeah  
Love me, leave me, cut like a knife  
Leave me to die yeah

This is my fuck you anthem  
I'm going out drunk and dancing  
Call it reckless abandon  
I call it my  
Why'd I even date you anthem  
You're not even rich or handsome  
Call it a temper tantrum  
I call it my

Fuck you anthem, ah ah  
Why'd I fuck you anthem, ah ah

Always knew you'd ruin my life  
Ruin my life yeah  
Love me, leave me, cut like a knife  
Leave me to die yeah

This is my fuck you anthem  
I'm going out drunk and dancing  
Call it reckless abandon  
I call it my  
Why'd I even date you anthem  
You're not even rich or handsome  
Call it a temper tantrum  
I call it my

Fuck you anthem, ah ah  
Why'd I fuck you anthem, ah ah
