

LA

Leah Kate

You like city lights
High and closing hot life
Think that you're just my type
I've had you in my sights
I got a one way flight
Headed to the west tonight
You got a one time offer
Come with me and we'll prosper

Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need
Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need

Woke up to the sunshine
Three little birds in the skyline
No, we won't forget going down sunset
This view is way over your head
So much more to show you
Falling out for you, we hit no blue
Raise your hand for the toast, we doing it the most
Out living in the coast in LA

Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need
Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need

Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need
Come with me to LA, LA
Come with me to LA, LA
Oh, baby, can't you see?
You're everything I ever need

LA, LA
LA, LA
Come with me to LA
