

Unbreakup

Leah Kate

These days
I'm trying to get by
Hitting dive bars
But the bar's too high
These days
I'm freezing all night
Missing your touch
But you don't miss mine

Ended up in separate places
Strangers on a first-name basis
You're the song I keep replaying
All the time
All the time
All the time

Wish I could go back
To the summer of 2021
We were kissing all night
Getting stupid drunk
On a towel in Malibu
Wish I could go back
To a better time
When you told me
I was the love of your life
But I said goodbye
And I didn't cry
Now I do
Wish I could unbreakup with you

Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Wish I could unbreakup with you

Lightning
Doesn't hit twice
On the same heart
From the same green eyes
Wanted freedom so bad
But when I got it, it wasn't all that

Wish I could go back
To the summer of
2021
We were kissing all night
Getting stupid drunk
On a towel in Malibu
Wish I could go back
To a better time
When you told me I
Was the love of your life
But I said goodbye
And I didn't cry
Now I do
Wish I could unbreakup with you

Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Wish I could unbreakup with you

Wish I could go back
To the summer of 2021
We were kissing all night
Getting stupid drunk
On a towel in Malibu
Wish I could unbreakup with you

Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Unbreakup, unbreakup with you
Wish I could unbreakup with you

Wish I could unbreakup with you
Wish I could unbreakup with you
