

Veronica

Leah Kate

I went to the bar last night
Yeah yeah yeah yeah yeah
I just came to have a good time
Yeah yeah yeah yeah yeah
Ran into a friend of a friend
Little did I know that's where the fun begins
Just about lost my mind
Yeah yeah yeah yeah yeah

I can't wait to hear the lies
This shit's gonna blow your mind
Know you love a good surprise
Don't you? Well

Last night I met Veronica, we talked and
Turns out we got one thing in common
You, yeah, you
Bet you never thought I'd meet her
You, yeah, you
Maybe I'll keep her
Last night I met Veronica, ooh
Last night I met Veronica

Gotta say she kinda cute
Yeah yeah yeah yeah yeah
Skinny legs and those Prada boots
Hated on the way you kiss
Such a big ego and such a little, ooh
Thank you for the new best friend
Yeah yeah yeah yeah yeah

I can't wait to hear the lies
This shit's gonna blow your mind
Know you love a good surprise
Don't you? Well

Last night I met Veronica, we talked and
Turns out we got one thing in common
You, yeah, you
Bet you never thought I'd meet her
You, yeah, you
Maybe I'll keep her
Last night I met Veronica, ooh
Last night I met Veronica

Never pegged you as a cheater
At first, I didn't believe her
Wow, she seems like a keeper
Maybe I'll keep her
Never pegged you as a cheater
I guess we need to take a breather
Wow, she seems like a keeper
Maybe I'll keep her

Last night I met Veronica, we talked and
Turns out we got one thing in common
You, yeah, you

Bet you never thought I'd meet her
You, yeah, you
Maybe I'll keep her
Last night I met Veronica, ooh
Last night I met Veronica

Maybe I'll keep her
