

Weird!

Leah Kate

I'm gonna tell you a story
About a boy and a girl taking shots at a party
She didn't want nothing
Too serious
He said "I've never felt this way about anyone ever. Period."

So she settled down to be with him
Started blowing off her friends
Living in a hotel
But then he started going cold
Drinking bottom shelf
And then she caught him in the lobby kissing somebody else
(What the hell)

You said you loved me
Said I'm the one you couldn't live without
It's just a weird thing to lie about
It's just a
It's just a
You said you want me
And now it's hard to wrap my head around
It's just a weird thing to lie about
It's just a
It's just a

I settled down for ya
Quit going out for ya
I faked all those stupid sexy bedroom sounds for ya (uh uh)
Loud for ya
I cut him out for ya
But I'll be calling him tonight
Boy that's right that's right that's right

You said you loved me
Said I'm the one you couldn't live without
It's just a weird thing to lie about
It's just a
It's just a
You said you want me
And now it's hard it to wrap my head around

It's just a weird thing to lie about
It's just a
It's just a
