

Rubber

Leah McFall

Said we would just forget it
No way am I gonna let it
So you can stop your beggin'
No, I don't even need to know what you gotta share

I won't regret it, I won't regret it
I won't be thinkin' of you
I won't regret it, I won't regret it
I won't be thinkin' of

You see my face
No smile for you, I keep it straight
Rubber erase you from my happy place
Wrappin' him up and let him go
'Cause I don't wanna know
I've had enough and, boy, it shows
I got your sorry tones
Rubber erase you from my head
Rubber erase you from my head

Rub you out, I have no doubt
It's better to be without you

You say that you aren't ready
For monogamy
Ah, you're so pathetic
No, I don't even need to know what you gotta share

I won't regret it, I won't regret it
I won't even be thinkin' of you
I won't regret it, I won't regret it
I won't be thinkin' of

You see my face
No smile for you, I keep it straight
Rubber erase you from my happy place
Wrappin' him up and let him go
'Cause I don't wanna know
I've had enough and, boy, it shows
I got your sorry tones
Rubber erase you from my head
Rubber erase you from my head

Wrappin' him up, wrappin' him up
Wrappin' him up and let him go
'Cause I don't wanna know
(Wrappin' him up and let him go)
Rub you out, I have no doubt
It's better to be without you

You see my face
No smile for you, I keep it straight
Rubber erase you from my happy place
Wrappin' him up and let him go
'Cause I don't wanna know
I've had enough and, boy, it shows
I got your sorry tones

Rubber erase you from my head
Rubber erase you from my head

Wrappin' him up, wrappin' him up
Wrappin' him up and let him go
'Cause I don't wanna know
(Wrappin' him up and let him go)
Rub you out, I have no doubt
It's better to be without you
