

Prisoner

Leah

Spiral is the only thing I see when I'm with you
Twisted in the midst, I cannot turn myself from you

Tangled so deep, I can't get out
Cannot sleep, trapped and bound

I am a prisoner within my own mind
I am confined to your tower, there I'm entwined

I want to give in...

Spiral is the only thing I dream when I'm with you
Twisted in a vision, can't turn images from you

Tangled so deep, I can't get out
Cannot sleep, I'm trapped and bound

I am a prisoner within my own mind
I am confined to your tower, there I'm entwined

I want to give in...
