

awakening

LeAnn Rimes

There's a stirring in the deep end of the waters
And I'm summoning the spirits of my ghosts
So, it overflows
It overflows

It's a thundering kind of overwhelming volume
Of the voices saying run into the storm
So, here I go
Here I go

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Surrendering is terrifying

My heart's awakening, awakening
My bones are awakening, awakening
Whatever is taking me, taking me, oh
Yeah, keep on a shaking me, shaking me, shaking me, oh
My heart is awakening, awakening
My tongue is awakening, awakening
Whatever is taking me, taking me, oh
Yeah, keep on a shaking me, shaking me, shaking me, oh

I've paid no mind to the man behind the curtain
Now that I do, it's not all pretty what I find
But if it makes me whole
Let it grieve my soul

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
Surrendering is terrifying
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
I'm suddenly okay with dying

My heart is awakening, awakening
My bones are awakening, awakening
Whatever is taking me, taking me, oh
Yeah, keep on a shaking me, shaking me, shaking me, oh
My heart is awakening, awakening
My tongue is awakening, awakening
Whatever is taking me, taking me, oh
Yeah, keep on a shaking me, shaking me, shaking me, oh
My heart is awakening, awakening
My bones are awakening, awakening
Whatever is taking me, taking me, oh
Yeah, keep on a shaking me, shaking me, shaking me, oh
Yeah, yeah, yeah
Shaking me, shaking me, shake
Shaking me, shaking me, oh
Ooh, ooh
Ooh, hoo, ooh-oh, yeah, yeah, yeah
Shaking me, shaking me, shaking me, shaking me, shaking me
Yeah, yeah, yeah

There's a stirring in the deep end of the waters
And I'm summoning the spirits of my ghosts

So, it overflows
It overflows
