

Coyote Ugly

LeAnn Rimes

Under a lover's sky
Gonna be with you
And no one's gonna be around
You think that you won't fall
Well, just wait until
Til the sun goes down

Underneath the starlight, starlight
There's a magical feeling so right
It'll steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know but you know
That you can't fight the moonlight
Deep in the dark
You'll surrender your heart
But you know but you know
That you can't fight the moonlight
No, you can't fight it
It's gonna get to your heart

Know all about
About your reputation
And how it's bound to be a heartbreak situation
But I can't help it if I'm helpless
Every time that I'm where you are
You walk in and my strength walks out the door
Say my name and I can't fight it anymore
Oh I know, I should go

But I need your touch just too damn much
Loving you isn't really something I should do
Shouldn't wanna spend my time with you
That I should try to be strong
But baby you're the right kind of wrong
Yeah baby you're the right kind of wrong
Baby you're the right kind of wrong

Please remember, please remember
I was there for you and you were there for me
And remember, please remember me

I don't like to be alone in the night
And I don't like to hear I'm wrong when I'm right
And I don't like to have the rain on my shoe
But I do love you, but I do love you

Love everything about the way you're loving me
The way you lay your head
Upon my shoulder when you sleep
And I love to kiss you in the rain
I love everything you do, oh I do

You can try to resist
Try to hide from my kiss
But you know but you know

That you can't fight the moonlight

Deep in the dark
You'll surrender your heart
But you know but you know
That you can't fight the moonlight
No, you can't fight it

You can try to resist
Try to hide from my kiss
But you know but you know
That you can't fight the moonlight

Deep in the dark
You'll surrender your heart
But you know but you know
That you can't fight the moonlight
No, you can't fight it

It's gonna get to your heart
It's gonna get to your heart
It's gonna get to your heart
