

Give Me Something (I Can't Give Myself)

LeAnn Rimes

You know I don't need you
You know I don't need your hell
If you going give me something
Well give me something I can't give myself
Oh, don't want your money
Don't want your rolodex of friends
Already have me a daddy
Take a new picture for your portrait lens

Give me something
Give me something I can't give myself
Give me something
Give me something I can't give myself
If it's a hand me down some runaround loving
Then keep it for yourself
Give me something
Give me something I can't give myself

Don't want you to make me
Don't want you to make me no
But I want you to make me want you
And if you make me then it's you I'll want
You know I don't need you
You know that I don't need your hell
If you going give me something
Give me something I can't give myself
No no

Give me something
Give me something I can't give myself
Give me something
Give me something I can't give myself
If it's a hand me down some runaround loving
Then keep it for yourself
Give me something
Give me something I can't give myself

Don't need hand me down love
Keep your runaround love
Don't need hand me down love
Keep your runaround love

Give me something
Give me something I can't give myself
Give me something
Give me something I can't give myself
If it's a hand me down some runaround loving
Then keep it for yourself
Give me something
Give me something
Give me something
Give me something I can't give myself
