

# I Couldn't Do That to Me

LeAnn Rimes

You ask if I'll stop loving you  
That's something that I'm not prepared to do  
No, I couldn't do that  
I couldn't do that to me  
You ask if I'll change what I feel  
Oh, that's something I know I could never be  
No I couldn't do that  
No I couldn't do that, oh to me

Don't you know that I'd be shattered  
I'd lose everything that mattered  
If I was crazy enough to let you go  
It would be a knife right through me  
And I could never do that to me  
So you never need to think I'll ever leave you  
'Cause I won't, no I won't

You ask if I'll tear us apart  
Oh, and let someone new into my heart  
No, I could never do that  
I could never do that, oh to me

Don't you know that I'd be shattered  
I'd lose everything that mattered  
If I was crazy enough to let you go  
It would be a knife right through me  
And I could never do that to me  
So you never need to think I'll ever leave you  
'Cause I won't, no I won't

No I won't  
No I won't  
No I won't  
No I won't

Tell me you won't stop loving me  
Say that's something that you can never do  
Say you couldn't never do that  
No you could never do that to you
