

## In the Stillness

## LeAnn Rimes

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

In the stillness, I am safe  
In the stillness, I am free  
In the stillness, I am coming home to me

[illegible]

Ooh, calming, calming
