

The Truth of Love

LeAnn Rimes

I speak my truth in love
I sing my truth in love
I walk in truth, I dream in truth
I am the truth of love

I speak my truth in love
(I speak my truth in love)
I sing my truth in love
(I sing my truth in love)
I walk in truth, I dream in truth
I am the truth of love

I speak my truth in love
(I speak my truth in love)
I sing my truth in love
(I sing my truth in love)
I walk in truth, I dream in truth
I am the truth of love

I speak my truth in love
(I speak my truth in love)
I sing my truth in love
(I sing my truth in love)
I walk in truth, I dream in truth
I am the truth of love

I speak my truth in love
(I speak my truth in love)
I sing my truth in love
(I sing my truth in love)
I walk in truth, I dream in truth
I am the truth of love
