

Christmas Dreamin'

Leanna Crawford

They whisper goodnight
With a kiss on the cheek
But Mom and Dad know
There's no way I'm sleeping
'Cause it's Christmas Eve
Can't stop thinking about presents
Busy watching the clock
Listening for Rudolph and his friends
Up on the rooftop
Oh, I'm

Wide awake Christmas dreamin'
Won't be long til I'm seein'
Everything that my heart has been wishin' for
No, I just can't shake this feelin' I'm feelin'
I know I should be sleepin'
But I'm wide awake, wide awake, wide awake
Christmas dreamin'

Time grows you up
Takes you far from home
But I can still see where I wanna be
Even with my eyes closed
I see the wreath on the front door
Hear the laughter inside
See the lights on the tree, everyone there but me
I'll get there soon
But until I do, I'll be

Wide awake Christmas dreamin'
Won't be long til I'm seein'
Everything that my heart has been wishin' for
No, I just can't shake this feelin' I'm feelin'
I know I should be sleepin'
But I'm wide awake, wide awake, wide awake
Christmas dreamin'

Of snowball fights
Carols by the fire light
Gathered 'round the family tree
Together making Christmas dreams come true
Come true

Oh, I'm wide awake
Christmas dreamin'. (Christmas dreaming)
Won't be long till I'm seein' (long till I'm seein')
Everything that my heart has been wishing for
No, I just can't shake
This feelin' I'm feelin' (feelin' I'm feelin')
I know I should be sleepin' (I should be sleepin')
But I'm wide awake, wide awake, wide awake
Christmas dreamin'

(Christmas dreamin')
Ooh (Christmas dreamin')
Christmas dreamin' (Christmas dreamin')
I'm wide awake, wide awake, wide awake

Christmas dreamin' (Christmas dreamin')

I'm dreamin', I'm dreamin', I'm dreamin' (Christmas dreamin')

Christmas dreamin' (Christmas dreamin')

I'm wide awake, wide awake, wide awake

Christmas dreamin'
