

How Can You Not

Leanna Crawford

I see the sun rise in the morning
And a million stars at night
I hear the birds they can't stop singing
Hallelujah
I see his goodness
When I fall down
And his grace that picks me up
Every day I can't stop singing
Hallelujah

How can you not see God
In every little thing
In every little moment
How can you not feel loved
How can you not
How can you not
Cause He's in the middle of
Every little thing
And every little moment
How can you not see God
How can you not
How can you not

I see the sunset and I wonder
If He paints it just for me
Nobody else could make a world so beautiful
How could I question his love when
It's everywhere I go
Wherever I look I find another miracle

How can you not see God
In every little thing
In every little moment
How can you not feel loved
How can you not
How can you not
Cause He's in the middle of
Every little thing
And every little moment
How can you not see God
How can you not
How can you not

Everything is evidence
Showing me that you exist
All creation singing hallelujah

Everything is evidence
Showing me that you exist
All creation singing hallelujah

How can you not see God
In every little thing
In every little moment
How can you not feel loved
Hmmm...

Cause He's in the middle of
Every little thing
And every little moment
How can you not see God
How can you not
How can you not

How can you not see God
In every little thing
In every little moment
How can you not feel loved
How can you not
How can you not
Cause He's in the middle of
Every little thing
And every little moment
How can you not see God
How can you not
How can you not
