

Cover up your light  
Cause what will people think  
If you speak your truth  
They'll just label you  
Another Jesus freak

Yeah, these are the voices  
That used to keep me silent  
But that's no way to live so my decision is  
I'm done with the all the hiding

If it's uncool to say that I love Jesus  
If it's uncool to sing about my freedom  
Then I'm cool, being uncool  
If it's uncool to tell the world who saved me  
I don't care if they call me crazy  
Cause I'm cool, being uncool

The pressure of opinion  
Is a heavy chain to wear  
But so is living with regret  
So With all due respect  
I don't really care

If it's uncool to say that I love Jesus  
If it's uncool to sing about my freedom  
Then I'm cool, being uncool  
If it's uncool to tell the world who saved me  
I don't care if they call me crazy  
Cause I'm cool, being uncool

I got this love in my heart  
I got this joy in my soul  
It's too good to keep it a secret  
I want the whole world to know

I got this love in my heart  
I got this joy in my soul  
It's too good to keep it a secret  
I want the whole world to know

If it's uncool to say that I love Jesus  
If it's uncool to sing about my freedom  
Then I'm cool, being uncool  
If it's uncool to tell the world who saved me  
I don't care if they call me crazy  
Cause I'm cool, being uncool

If it's uncool to say that I love Jesus  
If it's uncool to sing about my freedom  
Then I'm cool, being uncool  
If it's uncool to tell the world who saved me  
I don't care if they call me crazy  
Cause I'm cool, being uncool
